Report Comments

Dear Xun,

This is your Student Questionnaire on Courses and Teaching (SQCT) feedback report.

Please note that, as per the new Faculty Collective Agreement, means, standard deviations, and medians are no longer provided for student ratings in the SQCT Results Reports. There are several resources available to help with the interpretation of the ratings and student comments.

Reports that include the means, standard deviations, and medians are available to individual faculty members by request from feedback@uwo.ca

If an instructor receives a comment that they believe is offensive and wishes to report that comment, they are asked to do so using the new SQCT Comment Review tool in the Faculty/Staff Extranet. If the comment raises concerns regarding faculty or student safety, Western Special Constable Service should be notified immediately.

Historically, offensive comments, such as those that violate the Student Code of Conduct (e.g., discriminatory, harassing, threatening), have been rare at Western.

If you have any questions about the Feedback SQCT online system or the feedback results report, please contact feedback@uwo.ca.

Sincerely,

Feedback Team
Western University

A very good professor who teaches us as a PhD student is already very good
While the course can be challenging, your class made the concepts much easier to understand. You made the topics fun and interesting to learn. I especially enjoyed the in–class games since they connected to our material and helped me remember the concepts better. Overall, I really enjoyed your class!
